Main areas

- Tax business clients
- Customs Law

Background

Laura Segovia graduated in Finance and Accounting from the University of Valencia.

Subsequently, she studied a Master's Degree in Taxation and Tax Consultancy at the Centro de Estudios Financieros.

She gained experience as an accountant and tax advisor in national law firms, focusing on advising and managing non-resident companies with permanent establishments in Spain, financial companies and industrial companies.

Expertise

Laura Segovia has been part of our accounting team since 2022. She is responsible for corporate accounting, tax returns and providing clients with accounting and tax advice.

She also has experience in providing tax and accounting advice to large companies, handling the filing of tax returns, resolving bookkeeping and tax queries, reviewing and preparing accounts, legalisation of accounting books and preparation of annual accounts.

Languages

Spanish, English
